6. THE RULES YOU ACCEPT BY SIGNING

- **Deposit:** the booking becomes firm once you have accepted the offer, paid the confirmatory deposit (arvună, minimum 500 lei) and IKI LAND has confirmed the booking in writing. The deposit is deducted from the final price.

- **If you cancel:** if you cancel the party for a reason not attributable to IKI LAND and not due to force majeure, IKI LAND may keep the deposit. The deposit is not kept if the party does not take place because of IKI LAND or due to force majeure.
- **If you move the party:** on a request sent in writing at least 10 days before the party, the party may be rescheduled once, to a date no more than 6 months after the date originally set for the party, without losing the deposit, subject to availability and written confirmation. A later request does not give the right to reschedule without losing the deposit; if you cancel the party, the cancellation rule above applies.
- **If the party cannot take place for reasons attributable to IKI LAND:** we refund double the deposit and all other amounts paid for services not provided, within 14 days at most, or, if you choose, we reschedule the party. If the termination is not due to either party (for example, force majeure): we refund the deposit and the other amounts paid for services not provided, within 14 days at most, or, with your consent, we reschedule the party.
- **Guests:** the final number of children and adults must be confirmed in writing (WhatsApp or email) at least 48 hours in advance. The confirmed number is invoiced, but not less than the minimum billable number in point 5. Each additional guest, accepted within capacity, is paid at the individual rate in the accepted offer. If you do not reconfirm, the number previously accepted in writing remains valid.
- **The event lasts 3 hours, within the time slot entered on the form; access to the playground is no earlier than 10 minutes before the start.** An extension is possible subject to availability, with the coordinator's agreement and the client's acceptance, at a rate of 50 lei for each 30-minute period.
- **The 14-day right of withdrawal** does not apply to parties booked for a fixed date (Art. 16(l) of Government Emergency Ordinance no. 34/2014).

The data in this form are used to manage the booking and organise the event. After the event, we keep for 3 years only the data needed to establish, exercise or defend rights relating to the services provided. Accounting records are kept for the applicable statutory periods. The allergies section contains no names; the “Allergies and Dietary Restrictions” annexes are kept separately and destroyed no later than 30 days after the event. Details are available in the Privacy Policy, on iki-land.ro and at reception.

Photographing and filming children for promotional purposes, and using material in which they can be identified, are subject to a separate consent given by the parent or legal representative of each child. Signing this form does not constitute consent to these uses.
